----------	-------------

Bench Press	4 x 8
Deadlifts	4 x 6
Overhead Press	4 x 10
Walking Lunges	3 x 14
Cable Rows	4 x 10
Russian Twists	3 x 20

Muscle Gain Guidelines

- Eat a protein-rich meal after workouts.
- Aim for 7–8 hours of sleep daily.
- Increase weights gradually each week.
- Stay hydrated throughout the day.
- Maintain proper form before increasing intensity.

Suggested nutrition focus for lean muscle gain: eggs, paneer, Greek yogurt, milk, oats, lentils, chickpeas, tofu, rice, potatoes, bananas, peanut butter, and protein smoothies.
